

Once logged in, available batches are displayed.

The screenshot shows the VISION dashboard. At the top is the VISION logo. Below it is a navigation menu with links: SERVICES, MEET OUR TEAM, ABOUT VISION, FAQ'S, CONTACT US. On the left side, there are links for Home and Logout. The main content area features a 'Welcome visionexample!' message. Below this is a card titled 'On-Site Inspection Batch' with a circled ID 'GA-Example5-20131105'. To the right of the card, there is a text box that says 'To order a new batch of on-site inspections, email your list of parcels to your customer representative.' At the bottom of the dashboard, there is a footer with the VISION logo, '© 2014', and an email address 'Support@VisionTLS.com'.

After accessing the batch, you may export all properties utilizing the “Export Batch” button into a standardized format, including all detailed information and URLs of each individual photograph for importing into third party software.

You also have access to the details of each property.

The screenshot shows the VISION dashboard with the 'Export Batch' button circled. Below the button is a search bar with the text 'Search Properties' and 'Search by Parcel ID, APN and Address'. Below the search bar is a table with the following data:
